

Summer Business Internship Application 2019

Students crave real-world experiences, and the AGB Summer Business Internship gives you just that.

Our 6-week program exposes teens to a variety of work environments and introduces them to the internal operations of a successful business. You will rotate through departments (Marketing, Operations, Accounting/Procurement, Human Resources) at various privately-owned businesses, nonprofits, or public organizations. You will shadow skilled professionals to learn about daily expectations and challenges in their profession. You will gain valuable insight about the skills, disposition, and practices needed to be successful in a variety of fields.

By the time you complete the program, you will have stronger business content and a digital employment portfolio that includes a professional resume, professional headshot, and a LinkedIn profile for future job/internship searches.
